

American Festival for the Arts

2011-2012 Season

In-Kind Donation Wish List

AFA gladly accepts donations of goods and materials in good physical condition and working order. Before bringing any items to the AFA office, please contact us to ensure these needs have not currently been met.

If AFA no longer has a need for a particular item, we will happily suggest other donation options for you or, with your permission, arrange to “re-gift” your donation to an organization where it can be put to the best use.

MUSICAL INSTRUMENTS

Any musical instrument must be in good physical condition and in sound working order. Any instrument should come with all materials needed to make it functional. Cases and related items are appreciated

- Pianos
- String instruments
- Electronic keyboard
- Hand percussion
- (For donations of woodwind, brass or large percussion instruments, AFA can give you organizations to contact)

COMPUTER EQUIPMENT

For AFA to accept computer equipment, it must be less than three years old and compatible with Mac operating systems. Where possible, cables to both power and connect the machine to a computer (as appropriate) should be included.

- Used laptops
- External hard drives
- Printers

FOOD/DRINK

AFA is able to make use of donated food/drink as auction and raffle items at concerts or events. Please note that such items must be reviewed on a case-by-case basis and that we may not be able to accept them at all times during the year. Gift cards or certificates are best in such cases. Please contact AFA to discuss your donation in advance.

GIFT CARDS/GIFT CERTIFICATES

Each year, AFA holds a variety of special events at which items are raffled or auctioned. Gift cards or certificates for a variety of products and/or services are welcome to assist us in supporting the AFA Scholarship Enrichment Fund. Please contact AFA to discuss your donation in advance.
